Opened 2015

An aerial photograph of the Gyeongju Bomun Tourist Complex. In the center, a large, dark grey silhouette of the Korean peninsula is overlaid. Within this silhouette, the Gyeongsang region is highlighted in blue, and a red dot marks the location of Gyeongju. A red speech bubble points from this dot to a text box. The background shows the complex's architecture, including a large modern building with a glass facade and a traditional Korean pavilion (Haeinsa) in the distance. A road with a 'Bicycle' lane is visible in the foreground.
